Hebrews 9:15

This petition is being brought to God because of His Word. It is being brought to the Highest Authority in the universe over the supreme court.

I am represented by Jesus Christ, my Advocate. There has been a change of representation by counsel, and Satan no longer represents me because he is not my lord or lawyer any longer.

I am thankful that I can petition this court, for God has done great things for me. My account has been identified by the written Word, and again I want to give thanks. All relief for petitioners was granted in full.

The basis for grant of relief in contract is established by the Old Covenant with Abraham, because He could swear by no greater, He swore by Himself. But I have a better covenant established upon better promises. I became an heir, through my Agent, Jesus, when He sealed it by His blood for a new covenant. Therefore, I have every right to be here and have the relief sought, and You, God, have the authority to issue a decree in this matter.

*Write in the verses that apply to your specific requests in the column below.*

John 10:10

So I request to be granted the following specific request for relief:

For Satan has come as a thief to steal, to kill and to destroy, but Your promise to me was in Your Word and by Your Spirit which You gave me.

Psalms 119:170

This is the petitioner's prayer, and I am asking for a summary judgment. I cast all of my care on You, for I know You have heard me, and I have it.

Psalms 4:6-8  
1 John 5:14-15

So therefore, it is ordered, adjudged and decreed that the petitioner receive that relief sought in this petition immediately according to Mark 11:23-24.

Psalms 103:20

Be it further ordered, adjudged and decreed that the agents of God implement such findings immediately pursuant to the Word. In other words, Holy Ghost and angels do God's Word.

Again, let me say thank You for all You have done and are doing now. I know You shall continue to bless all who seek and serve You.
